SOLOMON
Senate District 8

Hi, I'm
MATT SOLOMON,
a fiscally **conservative** small business owner committed to
**BRIDGING GAPS IN
WESTERN COLORADO**

Matt
SOLOMON
Senate District 8

I am a **paramedic** with both public and private sector experience committed to **bringing people together** and working **for you**. As an active member of our community and an avid **outdoorsman**, I want to take my service a step further and **represent you** for Senate District 8.

PUBLIC SERVICE

I've spent the last 21 years in public service. I've served this community and country as a Paramedic, Deputy Coroner, through work with our U.S. Military, and was a **twice-elected Council Member for the Town of Eagle, Colorado**.

I have a sound record of **supporting our first responders**, working to keep families hard-earned money in their wallets, eliminating burdensome regulations on our businesses, and **supporting our Constitution**.

PRIVATE SECTOR EXPERIENCE

I grew up working in a family-owned business. I've spent my adult life carrying that knowledge from my family into the private sector industry.

I have **built teams and helped launch two companies** in the outdoor sports industry internationally.

I started my own successful small businesses in Colorado and experienced how the taxes and regulations that an over-reaching government imposes can prove suffocating. **Colorado can and must do better!**

GIVING BACK

I serve on the board of directors for two non-profits and was **nominated for the 2021 Community Impact Award** in Eagle, Colorado.

My personal mantra is to **live with honor, act with integrity, and speak the truth**.

My decision-making process is dedicated to **transparency, consistency, and predictability**. I will apply this mantra and practice as your State Senator, bringing the sword of **honest speech** to the arena of policy and representation.

EXTRA-CURRICULAR

I was a whitewater kayaker on Team Dagger and was one of the pioneers of stand up paddle boarding in Colorado.

I am also a published author—my book Fortunate Accidents uses stories from my life to teach lessons on personal growth and leadership.

In addition, I taught paramedics for 20 years and have worked to train our US military for the past 12 years.

"Matt's experience on the Eagle Town Council will serve him well in the Colorado State Senate. He'll bring a strong voice that will work with all the folks in the area to get things done for Western Colorado."
~Senator Bob Rankin

"Matt Solomon is a thoughtful conservative who knows that more government is NOT the answer to everything. He's a good man who will bring western slope values to the Colorado Legislature."
~Governor Bill Owens

I believe in fiscal responsibility, that every parent should be involved in their child's education, and will work to support our teachers and first responders to better our communities.
